VOL. 13 NO. 5 WEDNESDAY, FEBRUARY 2, 1972

The 36-suite apartment block at Sturgeon Road and Bishop Street, which was to have had its first tenants Tuesday, burned completely early Monday morning. By the time the fire department was called it was too late for them to do anything to control it and the loss is estimated in the neighborhood of \$400,000.

Photo by Vic Post.

Kinsmen purchase bus for Community use

At Monday evening's meeting the Kinsmen Club of St. Albert voted to purchase a used bus which will accommodate 54 children or 36 adults, at a cost of \$2,500.

The Kinsmen felt they had an obligation to transport boys under the minor hockey program which they organize and co-ordinate. However the bus will be made available for community use the year around. Groups such as the soccer and swim clubs, baseball teams, Sing Out St. Albert and others will be able to make use of the bus by supplying a qualified driver and gas and oil for trips.

The bus, which is in excellent condition, is being

purchased from Diversified Transport, through their local representative Garth Leask, and the Kinsmen estimate operating costs will run in the neighborhood of \$1,000 per year.

It is presently being painted and will be on display Saturday (Feb. 5) at Grand Shoppers Park from 10-12 noon and from 2-4 p.m. "By Sunday it will probably be on the road," said Kinsman Erling Winquist.

Levangie - Musto to trade pulpits on Sunday

In the unfolding of the pages of history in Alberta, such names as Rev. George MacDougall, Methodist missionary, and Father Albert Lacombe, Roman Catholic missionary are legendary to many people. History also relates the close friendship that existed between these two great missionaries.

As families struck his area, it was to his friend, Father Lacombe that Rev. MacDougall went in search for help. And so the sharing between these men was an expression of their missionary and Christlike spirit.

Today St. Albert United Church and the St. Albert Roman Catholic church witness to their work. This Sunday, during the services of worship, Rev. Len Musto and Father Colin Levangie, OMI, will exchange pulpits. This is a first for both as Rev. Len Musto will deliver the sermon at the 9:30, 11:00

Drama Meeting

A general meeting of the St. Albert - on - Sturgeon Players will be held in the clubhouse (beside the swimming pool) on Tuesday, Feb. 8 at 8 p.m.

Everyone interested in furthering the cause of drama in St. Albert is invited to attend. Several important decisions will be made at the meeting - memberships, the constitution, plans for the future, etc. Ideas and suggestions will be very welcome.

and 12:30 masses and Father Colin Levangie will deliver the sermon at the 10 o'clock service.

Research biologist will speak to Fish & Game

St. Albert Fish and Game Association will have Mr. Bill Wishart as their guest when they meet next Tuesday, February 8.

CONTINUED ON PAGE 3

Gervais Comeau and Reed qualify in City Consols

St. Albert Curling Club will be well represented in the 16 zone finals this year, having won three of the six greater Edmonton berths in the consols playdowns.

St. Albert rinks did it the hard way all coming out of the "B". When play started there were a total of 73 rinks competing for the six berths.

Makeup of the three St. Albert rinks are as follows: Tom Reed, skip; Kevin Byrne, Tony Baskel and Steve Cox. Hec Gervais, skip; Dr. Bill Mitchell, Wayne Saboe, Bill Tainish, Roger Comeau, skip; Harvey Slette, Jim Vervynck, Ray Slette.

Last week Reed's rink were runners up in the finals of the St. Albert mens open.

Tom is a newcomer to the league as well, while Roger has an impressive record and what more need be said about our local world champion, Hec.

Northern zone finals go Feb. 9, 10 and 11 at the Ottewill rink, and the winner will go into playdowns of the four Alberta regions to determine the Alberta representative in the MacDonald Brier.

Town and country fans in St. Albert district will be following the progress of these twelve curlers with keen enthusiasm, having the biggest local representation ever in the Consols.

Committee calls public meeting

The St. Albert Community Planning Committee will be holding its first public meeting on Wednesday, February 9th at Father Jan School, starting at 8 p.m.

Agenda items include the adoption of a constitution for a registered society, affiliated with the Community Planning Association of Canada, and the election of directors and executive officers for 1972-73.

A discussion of the founding members submission to the Local Authorities Board will take place. The submission opposed the town's application for annexation at this time of some 500

acres.

The committee questions if adequate planning has been done to cope with the town's expansion. They do not propose a debate on the issue until they have a decision from the LAB on a public hearing.

A letter from the Authorities Board was received by the committee on Saturday, informing them that the board has asked town council for his views on a public hearing.

A map showing the area for which annexation was applied appears on page three.

Poling wins 3 press awards

A St. Albert resident, Mr. Jim Poling of Edmonton Bureau, Canadian Press, has won two first prizes in CP's 1971 monthly cross-Canada competition, in May and December. The May story also won the coveted first prize of \$50 in the Story of the Year competition. It was a flashback on the Battle of Batoche ending the second Northwest rebellion of Louis Riel, and Jim wrote it as an enterprise job while in Saskatoon on temporary assignment.

The story told how the little Saskatchewan community has faded into obscurity since the four-day battle of 1885. It described how troops under Maj.-Gen.

JIM POLING

Frederick Middleton finally prevailed over the Métis, making a final stand on land rights.

Poling's vivid account of the establishment of the Roman Catholic Mission in St. Albert in 1861, and his description of how it is keeping pace with the times, won the \$25 first prize for the December competition.

Mr. Poling makes his home at 70 Gladstone Crescent.

Sweethearts Ball all arranged

The Lady Lions have all their plans completed for their annual Sweethearts' Ball, a gala occasion marking Valentine Day, and always a popular event in St. Albert. This year they are

holding it on a Saturday evening, February 12, at the St. Albert Community Hall. Dancing is from nine until one to the music of Rock Holman's Nuggets and a

CONTINUED ON PAGE 3

Meeting of Consumers

An Action Group was organized on Monday last by an enthusiastic group of ladies at a meeting chaired by Mrs. Joanne Russell.

Mrs. D. Walters, president of the Edmonton branch of the Consumers' Association of Canada gave a talk on the many achievements of the association and the improvements in marketing which had resulted from the efforts of the members.

The procedure for forming an Action Group was outlined by Mrs. A. O. Harmer, chairman of the provincial action committee. Her advice was well taken and before the meeting ended an action group was formed in St. Albert.

The Honourable Robert Stanfield received a big kiss on the cheek, as three young ladies got through to him following a rousing speech to the Alberta Conservative convention on Friday evening. A humorous reference to "my charisma" during his talk drew laughter and applause from the huge crowd that packed the Tongva room and lobby at the MacDonald hotel to hear him. Noticing photographer Vic Post snapping the picture, Mr. Stanfield asked that a print be sent to him, as he might start a collection like "you know who".

Tomorrow is now say educators - Convention

The North Central Con-
vention of the Alberta Tea-
chers' Association will be
held February 14 and 15 at
the Macdonald and Chateau
Lacombe. This convention
is the third largest in Al-
berta, and involves 11
locals, Barrhead, Lac Ste.
Anne, Leduc, Parkland, St.
Albert, Strathcona, Stur-
geon, Westlock, Wetaskiwin
City, Wetaskiwin County and
Yellowhead.

The philosophy of the con-
vention, which has as its
theme, "Tomorrow is Now,"
is expressed by Mr. Ken
Tuckey, Camp Creek, pro-
gram chairman: "Planning
for the future must be view-
ed as a study of the present
and past human and social
needs, and predicting or
suggesting how these needs
will be accommodated by
the future social system.

As society changes, aspects
of the educational process,
such as aims, curriculum,
teaching and student learn-
ing will need continuous ex-
amination, evaluation and
adjustment. Due to the phe-
nomena of cultural lag it
is possible to look at the
present social system and
perceive the issues that
could be of major concern
to future mankind. The ideas
that are being discussed now
will be tomorrow's ideolo-
gies; "Tomorrow is Now."

Last year the convention
had speakers who talked
about the "optimum school
environment" - What is it?
What do educators, laymen,
consider an optimum school
environment? It was re-
solved that it is a place
where a child has room to
grow, to develop his capa-
cities, and a place where he
or she can develop life skills,

But "room to grow" into
what? What capacities? What
life skills? How do we help
a child develop these capa-
cities? These life skills?
And the most crucial issue
facing education is for what
purpose do we educate? To-
morrow is now - we must
decide today if the schools
of tomorrow are to have a
purposeful place in society.
Speakers will discuss
problems such as: How and
where will students learn?
What will they learn? And
for what purpose?

NOTED SPEAKER

One of the speakers will
be Dr. Theodore Reid, Na-
tional Science Foundation,
Washington, D.C. He will
speak on the relationship
of mathematics and science
education in the public
schools to the development
of an informed citizenry.

Dr. Reid was a farm boy
raised at Vermillion who
graduated in honors organic
chemistry from the U of A
in 1946. He has had a wide
range of experience, hav-
ing taught for 12 years as a
professor at the University
of South Dakota. In 1967 he
was appointed a consultant
to a science education pro-
ject at a University of India
and has been with the Na-
tional Science Foundation
for the past four years as
associate program director
in science education. Cur-
rently he has been develop-
ing a systems approach to
science education with pro-
jects in the states of Dela-
ware and Oregon.

Of particular interest to
some of the local teachers
is the fact that Dr. Reid's
mother, Mrs. M. Reid, was

a teacher at Sir Alexander
Mackenzie until her retire-
ment and his brother, Mr.
Glen Reid is a teacher at
Paul Kane High School.

Another speaker of note
on the convention program
is Mrs. Muriel Martin, as-
sistant superintendent for the
St. Albert Protestant Sepa-
rate School.

Mr. Bruce Mickleburgh,
editor of "Monday Morn-
ing," has for his topic,
"Education: What kind and
for what purpose?"

There will be some 50
speakers, some from local
area schools, from other
provinces, and United States.
There should be something
of interest for every teacher.

AROUND TOWN

The boys of 5th St. Albert
Scouts and Cubs encountered
some very rough weather
conditions during their
bottle drive over the last
two weeks, and appreciate
the help received from local
residents very much. They
were not able to complete
all house calls, and people
who have saved bottles for
them are asked to call Mrs.
Brige at 599-8290, or Mrs.
Lastwika at 599-7573, and
these will be picked up.

The ladies of the Stur-
geon General Hospital Aux-
iliary will be holding a
Valentine bake sale Feb-
ruary 12 at 10 a.m. in the
Grandin Shoppers Mall (next
to Safeway). Anyone who
would like to support the
work of the auxiliary with
a donation of baking may
call Bette Smithson at 599-
5371.

MURIEL MARTIN

Two wearisome class-
room challenges - how to
individualize instruction and
how to motivate uninterested
pupils to achieve have been
concerns of teachers for
many years. There are no
easy solutions. A practical
approach may be through a
student tutorial program
currently being tested in
St. Albert schools.

Children have been teach-
ing other children through-
out history in manifold set-
tings. The plan was used in
one room school houses;
it is an important ingre-
dient in the Montessori ap-
proach and is an essential
element of many of the British
infant schools of today.
In the Cross-Age Helping
program in St. Albert,
teachers are seeing the
benefits that can accrue for
the older student "teacher" as
well as the younger child
being helped. Students who
teach are themselves learn-
ing through their teaching.

Mrs. Martin will be speak-
ing at the North Central
convention, outlining the
program and presenting the
reaction of students and
teachers to the program.
She is assistant superin-
tendent St. Albert School
District #6.

SKETCH MAP SHOWING ANNEXATION WHICH THE NEWLY-FORMED ST. ALBERT COMMUNITY PLANNING COMMISSION HAS QUESTIONED.

Plan new home grounds for beauty-use-budget

ARTICLE 2

In the first article, we asked that you draw a plot plan on a scale of one inch equals 10 feet, which would become a rectangle (on a normal 50' x 120' lot), or a pie shape, or whatever type of lot you have. Then as nearly as possible, and also to scale, measure the outside measurements of the house, and then draw the outline into the outline of the lot.

If all gardens fell into two or three set patterns, all you would have to do to landscape it would be to order Plan 1 or 2 or 3, and follow it. As this is not the case, and as each of us is an individual, each property requires different treatment, to reflect our own family needs and wishes, and to fit into the size of the house, of the lot etc.

If you look at your drawing, or plot plan, usually you will have a large area at the back of the house than at the front. This area behind the house is what is called the "Living Area" and functions as an outdoor living area, where you can

spend many happy relaxing sunlit hours, or cool evenings quietly, away from the crowds. If you're the type who likes a crowd of people around you, then you can invite them over to your home, and have your outdoor party - people love this, particularly if they've spent a hot sticky day inside an office.

The "living area" should have an outline of a patio, if you wish to build a patio. Try to get away from a stereotyped patio shape - squares and rectangles are fine, but circles and curves will give your patio and surrounding areas less rigid and more flowing lines. We have used patio designs, such as semi circles, full circles, ovals, kidney shaped, and one which was shaped like a painter's palette, with a tree growing where the thumb hole should be in the palette.

Your patio will be too small for your requirements if it is much less than 175 square feet, and I would suggest you will be much happier with an area of 200 to 250 sq. ft. Your back door could open on to the patio

area, but doesn't have to - perhaps you have a better idea, and if so, draw it on to your plot plan. We haven't finished with the patio yet!

You may need to think of a garage in the rear of the living area, and this should be drawn in also. Remember, if you build a single garage, you will wish you have built a double garage five years from now, so I would suggest a 20' x 24' area be drawn into the living area, at the rear, from the back lane, and located at least six feet from the back lane. In other words you can't build the garage right on to the lane, it has to be at least six feet from the lane.

Your plot plan should start to take on a little character now, with the outlines of the house, patio, and garage on it.

Research biologist

CONTINUED FROM PAGE 1

The noted research biologist with the Fish and Life division of the department of Lands and Forests, will show slides and comment on two topics of great interest to sportsmen, big horn sheep and pheasants.

BALL

CONTINUED FROM PAGE 1 smorgasbord will be served at midnight. As usual the entertainment is being kept a secret, but the Lady Lions can be depended upon for something both novel and hilarious.

This is an occasion when those gals who enjoy dressing up in formal gowns can do so, although dress is optional, so it's up to the lady.

"Waitress," demanded the angry customer, "do I have to sit here until I starve?"

"No, sir," she answered sweetly. "We close in 15 minutes."

If all the people who sleep in church were laid end to end, at least they'd be more comfortable.

Mother: "Why don't you go outside and play with the ball you found?"

Junior: "I would but I'm afraid I might meet the kid I found it from."

You can be thinking of the service area, or garbage stand, where you want the walks to go, and don't forget, so far it has been quite painless financially, and you have already saved yourself a lot of headaches and money.

Address all inquiries, in writing only, to Ted Makin, Artistic Landscapes Ltd., 9443 - 68A St., Edmonton, Alberta.

Mr. Wishart is well acquainted with Alberta wildlife, and is a good man

to ask those difficult questions.

The meeting will begin at 8 p.m. in the St. Albert Community Hall.

Royal Bank names John Grave Manager here

John Grave of 45 Gordon Crescent has been appointed manager of the St. Albert branch of the Royal Bank of Canada, which is expected to

open about mid-April at 12 Perron street.

Mr. Grave has been with the Royal Bank for two years, having previously served with the National Westminster Bank Ltd. in

the United Kingdom for 12 years. He joined the Royal Bank at their branch at 102 street and 102nd avenue in May of 1970, transferring last January to the Northgate branch, as senior loans officer.

Born in Scotland, he came first to Canada in 1957, settling in Edmonton for four years and then returning to the old country. When I came back in June of 1970, I "took one look at St. Albert and stayed," said Mr. Grave. John and his wife Maureen have three children, Karen, 10, who was born in Edmonton and sons Paul, 7, and Michael, 4.

Mr. Grave, who is 38 years old, is a member of the Klusmen Club, assistant coach of the Alberta Swim Club and a former member of the St. Albert Curling Club, which he hopes to re-join next year.

New library plan makes good

The St. Albert libraries co-operation project, initiated on the suggestion of town council, is making excellent progress under a joint committee formed to facilitate the combining of resources of the public and school libraries here.

At their organization meeting in the fall, repre-

sentatives of the library board met with the town librarian and librarians of both school districts. Areas of possible co-operative work included sharing of special categories of books; co-operation in ordering; development of visual material collections, records, tapes, etcetera; and school

visits.

Serving on the committee are Robin Vargo and Kay Iseke, elementary librarians; Gertrude Oliphant and Carl Akitt, junior high; Cecilia Blair and Dave Geddes, high school and librarians Anna Hesse and board member Ardis Kamra of the public library.

A core system is being set up which will assist in identifying areas of need and those areas of possible co-operation to be brought to the joint planning committee. Under the aegis of the St. Albert ATA local institute the committee toured the libraries, with special attention to book collections, special collections or li-

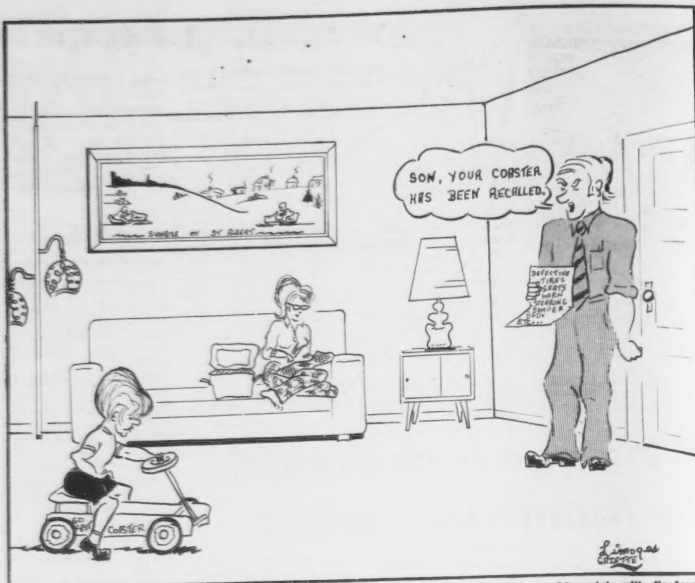

tures, physical space, innovative ideas and audio-visual materials and equipment.

Another meeting explored wider use of the public library by schools. Special programs could be put on by students, such as a Christmas story told by grade fours to the pre-school story hour; students

could assist with displays at the public library; a high school work experience plan could involve students working in the library in several areas as part of their school work experience.

Other plans being worked out are co-operation in buying expensive, not-so-often

Single Parents plan Social

The single parents' group held their first meeting on Monday, January 31. They decided to continue on an informal basis until such time as structure seems necessary.

A cheese festival will be held February 12 to enable the group to get to know one another better and encourage other single parents to come out. They planned to each have discussions with their children before then to get their views and see what activities they would want. The parents and children's ideas will be discussed at the February 12 social and plans made about the directions the group will take.

One of the most pressing needs that surfaced was the need for the company of other adults. "We can't even be ourselves at the office," said one parent. "We seem to be always entertaining

one another." Another parent spoke up, "even at home we can't really be ourselves because we're entertaining our children. We need adult conversation and understanding."

"According to the 1972 census over 4.5 per cent of the families in St. Albert are headed by only one parent," says Mona Acker, director of preventive social services. This is lower than the national average of approximately nine per cent, but the trend toward single parent families is growing nationally and there is no reason to think it won't happen here. Many factors are responsible for the changes taking place in family life but the important thing is that one parent families have special needs, whether the cause is divorce, death or desertion.

This group hopes to meet

some of these needs through social, recreational and cultural activities. They welcome all single parents, whether or not they are currently living with their children. If you would like more information or would like to attend the next meeting, cheese festival, call Gloria Stacey 599-4897 evenings or 599-5149 days.

AROUND TOWN

Thirty-two of the St. Albert Guiders were able to attend the weekend training session hosted by St. Albert Division at the Retreat House. In all 60 guiders provide leadership for some 430 girls in seven guide companies, nine brownie packs and one ranger company here. St. Albert Division also includes one pack and one company in Winterburn. The regular monthly paper drive by the guides will be held this Saturday, and Sunday, and the bin will be located at the RC church for the week of Feb. 4-10.

The Mooncrest Community League are holding a dance and social evening at St. Albert Community Hall Saturday night (Feb. 5). Dancing from nine until one to Dave Terrault and his Golden Altos. Proceeds are for the league's fund-raising project for a new community hall for Mooncrest.

Ken Moore, president of St. Albert Lions Club congratulates Frank Carnahan, principal of Robert Rundle school after presenting the school with \$50 for the library and a plaque. Robert Rundle contributed the most funds of any St. Albert school, on a per capita basis, to the Lions walk-a-thon 1971.

used books to prevent unnecessary duplication while ensuring that all systems have access to such books, and the developing of a profile of library resources, being done by Mrs. Kamra.

The committee feels also that there is a need for an instructional materials centre to be shared by both districts. Ideally such a centre would contain classrooms for community use, crafts, a library branch book deposit, plus facilities for kindergarten and amateur drama.

There is a suitable building in St. Albert which could be used for this kind of community centre, with the backing of the school and library boards and local service clubs.

Bats wanted

Have you seen any winter bat colonies? If you know of one, the Alberta fish and wildlife division would appreciate a call.

This division is co-operating with the pest control branch of the provincial department of agriculture in a project designed to find out whether bats do, in fact, remain in Alberta during the winter months, and to learn more about their role in the spread of rabies. If winter colonies can be found, the bats will be collected for scientific and pathological investigation.

Those involved in research on bats feel that this little animal may be an important carrier of rabies. Countries in South and Central America and Mexico have had problems for years with bats transmitting paralytic rabies to cattle. Rabies has also been isolated in bats in the United States and Canada. In fact, the last three positive rabies cases in Alberta this year were bats.

If you know of a WINTER location of bats, would you contact John R. Cunson, Fish and Wildlife Division, O. S. Longman Building, 6909 - 116 Street, Edmonton.

Comets out-tough Ray's Esso

On Friday night, Jan. 28 the Comets took on Ray's Esso in a game which turned out to be penalty filled. Comet scoring was opened at the 0:48 second mark of the first period when Joe

Cassidy slid one through the pipes to start St. Albert off. But 41 seconds later Ray's Esso tied the score on a goal from Gary Chiknita. Cassidy scored again at the 1:50 mark, just to

have Gary Chiknita come back at the 13:50 to score his second to tie it up again. Al Bohl rounded out the scoring for the Comets in the first period on a pass from Fred Hesse at 18:45.

Comet Captain, Fred Hesse, tries to move in on Stony Plain's goal but with little success.

In the second period St. Albert scored the only goal of the frame when Al Hewko rammed one home on a pass from Jim Read.

The third period was of free-reeling action as four goals were scored. St. Al-

bert scored the first two goals on plays by Al Bohl and Al Laplante. Butch Lund and Pete Golko handled Ray's goals. The final score 6 - 4 for the Comets. There were 21 penalties

called with 13 going to the Comets. Al Hewko was a stand-out as far as hitting and checking went for the St. Albert team; as he kept Ray's Esso under control. On Sunday night Stony Plain travelled to St. Albert and walked away with a 6-2 victory.

The first two Stony goals were scored by Rich George on hard shots out on left wing. Then followed by St. Albert's Fred Hesse to narrow the score 2 - 1 at the end of the first.

In the second period St. Albert's Doug Bell tied it up on a beautiful shot on the corner. But that was it as Stony pulled away in the third period when Ray Robinson ripped two goals by Comet goalie John Downes. Rich George potted his third goal for his hat trick while John Keast finished the scoring for Stony Plain Eagles.

The game was a close one until the third frame, but the Comets were just out-skated.

Midget Provincial Team cleans Westlock.

St. Albert's provincial midget team travelled to Westlock on Saturday, Jan. 29 to take on the high-powered Westlock club and re-

hard hitting one with no penalties being called.

In the second period St. Albert pulled out in front of Westlock 4 - 2 on goals from Terry Keiser and Scott Ballantine. This period however resulted in five penalties to Westlock and one to St. Albert.

The third frame was the one in which St. Albert really poured it on as they out-flashed the home team 4-2. Keiser got his third goal for his "hat trick" while Ballantine potted his second goal followed by Claude Regimbald with a single to round out the scoring.

St. Albert held high-scoring Jim Wishloff down to one goal, with some great backchecking and hard skating. The game was by far the best St. Albert has played this year and came after playing St. Albert Juniors on Friday morning. Although the midgets lost this one 6 - 3, Scott Ballantine, Matt Lister and Jim Hole scored for the Sabres, while Craig

Neeser handled four goals and Doug Ferguson two for the Barons.

In both games goalies Cary Winquist and Kris Nickerson played excellent as they faced numerous shots in both games.

The Sabres take on West-

TERRY KEISER

turned on an 8-2 triumph.

At the end of the first period the score was 2 - 1 in favor of St. Albert with Terry Keiser and Bob Wallis scoring for the Sabres. The period proved to be a fast,

SCOTT BALLANTINE

look in the first round of provincial playoffs, which involves a home and home total goal series, next week.

Teachers blank Warriors for second spot

St. Albert Esso (teachers) shutout the Kinsmen Warriors 4 - 0 Monday night to move into second place in the St. Albert Men's Commercial League standings.

Both clubs have identical records of seven wins, four losses and two ties but the teachers have a better goals for and against average.

Father Jake Joly had an outstanding defensive game for the winners and also scored their first goal in the second period. Brian Kupsh added a pair and Joe Laplante rounded out the scoring. Pat Lockert was not tested too often in the Esso net, but made some good saves to record his first shutout of the year. Warriors took eight of 14 penalties and were short-handed on two goals.

In other commercial league action Kinsmen scored a 9 - 2 win over Gulf last Thursday with Roger Bourbonnais picking up three goals. Jamie Burton added a pair.

The teachers also added to their winning ways with a 5 - 3 win over National Life Bruins last Wednesday. Joe Laplante and Len Bracco fired two each to lead the way.

Calgary Power lead the six team league by one point

and have a game in hand. Standings as of Feb. 1st are as follows:

	GP	W	L	T	Pts	GF	GA
Calgary Power	12	7	2	3	17	74	58

A victorious Maple Leaf team right after winning the tournament during Minor Hockey Week.

Soccer registration is early this year

Registration for soccer will take place on Saturday, Feb. 12 between 9 a.m. and 12 noon at the St. George Simpson Junior high school and Leo Nickerson elementary school.

Every year the St. Albert Hercules Soccer Club enter an all-star team from each of the atom, pee-wee and bantam leagues and also midget and junior teams in the Edmonton Metropolitan Youth Soccer All-Star League.

With the continued growth in St. Albert, we are anticipating a record registration this year. In past years the registration has been held in April which has only allowed about two weeks to select all-star teams from more than 300 boys. This year the registration is being held in February to allow more time to pick the best possible combination of players to represent St. Albert. Accommodation has been reserved in the Kinsmen Field House during March to hold all-star trials.

Whether the boys play in the all-star or local leagues it will be impossible to carry out a successful program without the co-operation of parents in volunteering their

services as referees, managers, coaches, assistant coaches and helpers. The only qualification is a desire to help the boys enjoy their participation in the sport - no soccer experience is necessary.

In local soccer there are leagues for mites (8 years), atoms (9 - 10 years), pee-wees (11 - 12 years) and we should have enough boys to form a bantam (13 - 14 years) league. Fifteen to 16 year old boys are classified as midgets and boys up to 18 years are classed as juniors.

The season will run from May through to early October and will include a change in program during the July-August holiday season. All teams will compete for the league trophies, shields and challenge cups.

Except for footwear, all soccer equipment is provided by the Hercules Sports Association, which is sponsored through the generosity of the London Society, and the St. Albert Recreation Department. Soccer boots are a requirement for boys playing for the all-star teams but either soccer boots or runners may

be worn by the boys playing in the local leagues.

Registration forms will be supplied by the St. Albert Parks and Recreation Department who will distribute them to the various schools.

Currently the St. Albert Parks and Recreation Department is making arrangements to hold a Soccer Coaches' Clinic in St. Albert. The dates are to be announced later.

A minister, making routine calls on members of his congregation, rang the doorbell of one family. The lady of the house, expecting her young daughter home from school, called out:

"Is that you, angel."

"No," answered the preacher, "but I'm from the same department!"

K.C. Mites take ski train to Jasper for Hockey Week

The KC's mite B hockey team travelled to Jasper on the CN Ski special last weekend and played two games with the Jasper B team. St. Albert lost the first game on Saturday 4 - 2, but tied the game on Sunday, 2 - 2. The trip was arranged to mark Hockey Week in Canada.

Dwight Tegler scored three of the four K of C goals and was awarded a Jasper Dollar in each game, as one of the three stars.

David Howorko of the KC's made the three star selection in the opening game along with the Jasper player who scored three of their four goals.

The ski-train arrived in Jasper at midnight on Friday and returned to Edmonton about the same time Sunday.

Badminton players win

At the Edmonton Senior Badminton Championships hosted by the Derrick Club over the weekend, several St. Albert players entered and came away with quite a few of the trophies.

In the B section Bernice Parsons was again a double winner, winning the ladies singles event, and combining with Linda Wasyk of the Kingsway Club to take the

Minor Hockey Week Results

MITE B:

Warriors led by Bradley Hall and Mark Turik's two goal performances streaked by the Jets 5 - 4 in a mid-game rally. Handling scoring for the Jets were Kelly Romstead, John Peskic and Bob Dragich with two goals. Joji Hiratsuka potted the fifth Warrior goal.

Hawks upset the Rangers by handing them a 4 - 1 defeat on goals by Ross McRae, Bob Bergevin and two from Todd Nichol.

Scoring the lone Ranger goal was Claude Joly.

In the final game for the trophy the Warriors were pitted against the Hawks. The Hawks handed them a 5 - 0 drubbing, with Paul Hofart posting the shutout. Scoring came from Wade Katzmarsky and Cameron Swist with two each.

MITE A:

Nuggets defeated the Spurs 5 - 4 to take the Mite A tournament. Scoring for the Spurs were B. Lipkatt with two, R. Ouellette and D. Kieser with one each. Tallying for the Nuggets were Mike Calkins, Warren Brown, Mike White and Kevin Jackson on a pass from Breen Neeser. The game was decided on penalty shots after regular play, with Capt. Troy Murray netting the winning goal on his third penalty shot.

PEEWEE B:

Dennis Lafleur posted a fine shutout as the Kings edged the Legion 1 - 0 to take the tournament. The Kings scorer was David Werblck.

PEEWEE A:

Fire Chiefs won their way into the final game on a

was a different story as they were dumped 5 - 1 this time for the tournament championship. D. Bender led the scoring with two goals.

BANTAM B:

The Lancers, pee-wee team entered in the bantam league, bounced the bantam Sabres 3 - 0. Glen McRae was in net, while Chris Skrobo, Joe Tworek and Todd Wingquist handled the scoring for the tournament winning Lancers.

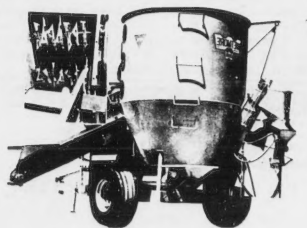

BANTAM A:

Maple Leafs handed the Falcons a 4 - 0 beating as they won their division. Scoring for the winner were J. Smith with three and D. Hunt with one. Again Starko posted a shutout.

Lancers relax after beating the Sabres 3 - 0 to take their division in bantam B action Saturday.

Keith Everitt, left, Tommy Morin, Nan Morin and Thelma Everitt in front of the new business opened last week by Keith and Nan in Gibbons.

Opening of store in Gibbons

A large crowd of people in the Gibbons-Bon Accord area attended the opening of Nan and Keith's Better Meats in Gibbons Saturday afternoon.

Special guests of Nan Morin and Keith Everitt were M.L.A. Ernie Jamison, Reeve Wally Van de Walle of MD Sturgeon, Mayor Brennan of Bon Accord, Mayor Holmes of Gibbons, Mr. Jack Condon of Condon Bar Co. Ltd., and Mr. Harry Strom, former premier, all of whom spoke briefly. Two appropriate songs by a local lady singer rounded out the program.

Consensus of the speakers was that the large, well planned and equipped plant and retail outlet is another step forward for the thriving village, which will offer a fine new service for residents in a wide area.

Keith Everitt has a wide smile as he gives Ernie Jamison about the biggest roll of 'baiton?' you are liable to see. The manner of thanking the M.L.A. for cutting the ribbon to officially open Nan and Keith's new meat business is typical of Mr. Everitt. Luckily for Ernie the roll has a special Conservative flavor which he has found most delicious, and a number of people who were there have said they will be calling for a sandwich.

Local Guides plan massive paper blitz

On Saturday, March 11, a town-wide paper drive will be held by the brownies and guides of St. Albert. Girls will be calling at every door to collect newspapers, magazines, telephone directories and other paper materials.

AROUND TOWN

The Senior Citizens are meeting for the first time since before Christmas on Thursday in St. Albert Community Hall at two o'clock. This is one week earlier than the regular monthly meetings, in order that the draw may be made for selecting two couples to attend the Lady Lions Sweetheart Ball on Feb. 12. The St. Albert Lions annually sponsor two couples in this way for the Ball. There is some business to attend to as well, and card games will follow as usual.

The girls have been involved in paper drives for the past 10 years, and have been forerunners in campaigning against pollution, anti-litter and conservation of trees. Please help them in their efforts! Tie your bundles of paper, telephone books, etc. Put your papers on your front porch or your driveway for pickup. (Yes, you can include cardboard boxes).

What do the girls do with these funds? They help others! This includes guides and brownies who need help with their expenses; supporting of a foster child; pur-

chases of toys and food for the less fortunate and for those in the far north; and the donation of gifts to local hospitals, and to the arena fund. Girls also attending out-of-province guide activities have received assistance.

The cost of sending a girl to camp is sometimes difficult for many parents. In St. Albert, the organization tries to help every girl to attend camp and participate in all activities. Through the efforts of many anonymous donors to our paper drives, these things have been made possible. Again, the brownies and guides are asking the citizens of St. Albert to support them.

Glyn Reed who narrowly missed in the Northern Alberta title Monday, will have the consolation of following brother Tom's play in the city consols. It would appear curling skill runs in the family.

chases of toys and food for the less fortunate and for those in the far north; and the donation of gifts to local hospitals, and to the arena fund. Girls also attending out-of-province guide activities have received assistance.

4H Council holds annual meeting

By Tom Bowman

The annual meeting of the Sturgeon 4H Council was held on Wednesday, Jan. 19 in the municipal office in Morinville. Despite the cold weather and bad roads there were about 25 people present.

Pat Ferbey opened the meeting with the 4H pledge. Valerie Durocher acted as secretary for the evening.

Valerie who is the council treasurer also gave a financial report.

Public speaking this year has taken on a new look. It has been divided into two sections a junior division and a senior division. So there will be two speak-offs this year.

The junior speak-offs will be held at Riviere Qui Barre on April 10 and the senior

division will be held at Gibbons on April 14.

A flat rate of \$10 per club takes the place of a \$1 per member. This is payable to the Northwest Council c/o Mrs. M. Borle.

A discussion on Sturgeon Council dues then followed. They are to be \$10 per club for the coming year. It was then voted to donate \$50 to Camp Ho Ho Ha for Crippled Children.

Mr. Blenert, specialist for the department of youth was present to talk about exchange trips for the coming summer. Council is hopeful for a provincial exchange to points in Southern Alberta and, as an alternate, to the Peace River district. The

Northwest Regional is sponsoring an exchange to California which will involve about four of Sturgeon's 4-Hers.

A short discussion with the clothing club leaders followed, on the possibility of combining their achievement days such as the east half and the west half. This was sent back to each club for further discussion.

Officers for the coming year: Doug Bowman, president; Mrs. Leona Petherbridge, vice president; Miss Jocelyne Durocher, secretary; Miss Valerie Durocher, treasurer; Tom Bowman reporter.

The meeting was adjourned by Gordon Fuhr.

FIRST . . INQUIRE WITH US . . BEFORE YOU BUY

Some of the guiders attending the weekend training session were photographed enjoying their buffet-style lunch in the lounge room of the Retreat House last Saturday. Visiting guide leaders from throughout northern Alberta were impressed with the accommodation and meals at the Star of the North centre here.

Annual report shows productive year for St. Albert W.I.

The annual report of St. Albert Women's Institute as prepared by Vel Barkhouse describes a productive and interesting year from the point of view of both community service and activities adding to the education and recreation of the members of this most active branch of the institute.

Ten meetings were held in 1971, including the 25th anniversary party at the Club Mocombo in October. Eighty-seven ladies were in attendance including 20 charter members. The average attendance of the other nine regular meetings was 22 members and one guest.

In January our branch undertook the purchase of a heart pacemaker for the Sturgeon General Hospital. This was changed to a short wave diathermy machine for the physiotherapy department of the hospital. In May \$800 was subsequently donated to the hospital with the promise that \$400 will be presented within a year. This equipment is donated by the WI in memory of deceased members. A suitable plaque will be on display in the hospital.

A successful raffle of a

quilt was again held in conjunction with the annual fashion show, which too, was a success.

The St. Albert branch hosted the constituency conference at the Club Mocombo in April. It was also the host branch for the provincial convention at Lister Hall, Edmonton in June. St. Albert handicrafts took top honors, as well as the shield and cash award.

Several displays of handicraft, including egg shell mosaic and new buttons were demonstrated at our monthly meetings. We assisted in the UCW cancer canvass, Help Society Volunteer program and the TB Association canvass of St. Albert.

A stretcher was presented to the Red Cross and more home-care items, including crutches were purchased. The deep fryer was raffled twice, which proved to be a popular item for fund raising.

A lovely float depicting St. Albert WI's 25th anniversary was entered in the rodeo parade.

Many interesting speakers were heard during the year, including representatives from the St. Albert

Halo Society, Community

Holiday Volunteers, Preventive Social Services and Home Economics Faculty of U of A.

The Centennial project, the flower bed at the St. Albert Community Hall, was again attended to.

Five members received perfect attendance gifts -- a choice of a WI cup and saucer, WI teaspoon or 1972 dues paid up. Another successful year came to a close with a visit from good old St. Nick on Dec. 14 at the Christmas party.

The St. Albert WI held their first meeting of the new year at the home of Mrs. Marie Houle on Jan. 25th.

The new executive presided with Mrs. Doreen Robinson as president; Marg Iske, secretary; Janis Cunningham, treasurer; and Sharon Taylor, vice-president; directors, Marg Fechter, Agnes Richardson, Nora Rouault, Sadie Adams, and Marg Dolman.

Sadie Adams showed a map and talked about the structure and make-up of the Alberta WI, which is non-political and non-religious.

Plans were discussed for the spring fashion show put

Talk on drugs and alcohol highlights Guiders Session

One hundred and fifteen leaders, attending the provincial guider training session at the Star of the North Retreat House in St. Albert over the weekend, reported that the "tremendous" program had given them many new ideas, renewed their enthusiasm and proved a fine learning experience.

Eight trainers from the provincial office covered a wide range of topics and craft ideas for the browne, guide and ranger leaders and commissioners.

A highlight of the program was the talk given Sunday morning by Dr. Robert Campbell of the department of psychiatry, University Hospital, on drugs and al-

cohol.

Use of drugs and alcohol are really a side issue to the central problem of discovering why a person turns to them, according to Dr. Campbell. He considered drugs and alcohol as a single, not separate problem and that people turn to their use because there is something wrong in their lives. Once this basic cause of abusing the use of either drugs or alcohol is determined, it becomes possible to effect a cure.

Dr. Campbell also felt that organizations such as guides and scouts fill a real need for young teen-agers who need to be able to identify with others their own age,

at a time when they are beginning to exert some independence from their families. He also described the different kinds of drugs and their effects.

Rangers of the Tamarac area who were holding separate meetings at the Parish Hall attended the address by Dr. Campbell and contributed to the very lively discussion which followed. One of the factors which came out in the question and answer period was that lack of discipline is part of the problem. Young people feel that if their parents don't care enough to discipline them, perhaps they just don't care at all.

This year the guide training program will include education on use of drugs, alcohol and cigarettes for the first time. Changes are also planned in the outdoor camping program, under which campers might use accommodation other than tents.

Special guests at the banquet held Saturday evening were Area Commissioner Marion Brostrom and Father Gaston Montigny, director of the Retreat Centre. Division Commissioner Lita York and Rose Olsen were in charge of arrangements.

Until 1874, when a system of dealing with dead letters was introduced, all unclaimed letters were advertised.

Arts and Crafts clinic planned

An Arts and Crafts clinic co-sponsored by the regional recreation board and the district home economist, will be held at the Morinville recreation centre from 1:30 p.m. to 4:30 p.m. on Tuesdays and Thursdays starting Feb. 8 and ending Feb. 22.

Batik, tie-dyeing, and block printing will be offered at this series -- all for the price of \$3 for all five sessions.

For further information, contact your district home economist, Pat Prymak, at 256-3351 Morinville.

Housing Starts show growth record

Record of housing starts compiled by the planning commission shows the following figures over a five-year period of interest to St. Albert and Sturgeon residents:

	1967	1968	1969	1970	1971
St. Albert	51	39	269	331	674
Sherwood Park	97	278	984	1051	1151

Morinville Recreation Board News

By Florence McGinnis

The Morinville Recreation Board held its regular meeting Jan. 27 in the town office and election of officers was held. Mrs. Flo McGinnis was elected chairman and Miss Karen Weston vice-chairman for the coming year. Mrs. Jo Anderson was reappointed secretary-treasurer. Other members of the board are Mrs. Terry Riopel, Mrs. Anne Kryskow, Abe Carlson, Leopold Bolsonnault, and Harvey Atkinson (representing town council).

In attendance at the meeting were Carl Royan, recreation director, MD Sturgeon; Al McRoberts, area recreation consultant; Councillors Tom Houle and Garnet Wiley (making total of three councillors present).

Considerable discussion was held regarding a regional recreation board; what it means, how it operates, the benefits of forming such a board, and how it all ties in with local recreation boards. The Morinville board members felt that it was a very informative meeting especially since there are four virtually "new" members on the board. The councillors will take a report back to

the Morinville council meeting to be held Feb. 8.

Reports were presented on the activities of the rec. board during the past year noting that there are seven minor hockey teams with 105 boys registered, and that the Sturgeon Minor Hockey League was formed this year. The figure skating shows 73 pupils registered showing good interest, and they have the carnival coming up March 12. The Gun Club run through the Lions Club had 19 students passing the course, and in the near future a competitive course is to be held for adults and these 19 qualified students. Other activities reported on were baseball and fastball clinics, clinics for hockey coaches and referees, a new ceramics course and the continuance of the Golden Age Card Club.

The next regular meeting will be held Feb. 17 in the town office. The members of the recreation board would welcome any ideas, suggestions, complaints or remarks regarding the past year and the year to come, from the residents of Morinville. Pass on your ideas today, to a rec. board member.

RECREATION

There has been an excellent response to the classes sponsored by the St. Albert Arts and Crafts Guild which are scheduled to begin during the week beginning February 7. Many classes were filled a few days after the registration forms were distributed.

Openings remain in a few classes including children's ceramics (6 - 8 years), adult ceramics, model aircraft, creative leathercraft and knitting and crochet. And for the curious, there is the Craft Medley course which will include weaving, tie-dyeing, stitchery and other popular crafts.

For information about the classes and registering, phone Mrs. Karen Grant at 599-6601.

SQUARE DANCING:

The St. Albert Saints and Sinners will hold their next regular dance in Sir Alexander Mackenzie school on Saturday, February 5.

SWEDISH GYM:

Classes for both girls and ladies are being conducted by Mrs. Helga Kirschowsky in Leo Nickerson school on Wednesday evenings. The classes are held from 6:30 - 7:15 p.m. for girls, 6 - 9 years, and from 7:15 - 8 p.m. for girls, 10 years of age and over. The ladies' class is from 8 - 9 p.m. The cost is \$5 for ladies and \$3 for children for 10 classes. Phone Mrs. Phillips at 599-6445 for further information.

"Y" SWIMMING:

A 13-week swimming instruction course for children between 7 and 13 years of age starts on Tuesday, February 15.

The cost is \$15 and includes transportation from St. Albert to the West End "Y" and back. The bus, which leaves St. Albert at approximately 6:15 p.m., follows the regular bus route through the town.

For information phone - the Y at 455-2139.

Pat Helten presents Mayor Ray Gibbon with an unusual souvenir gift, while young James Helten and Greg Christie of Helten Travel sales staff look on. A medallion (a seal of the city of Paapea) was presented to the mayor by Pat, who had just returned from a two week holiday in Tahiti where he acted as conductor of a tour for 60 Albertans. While in Tahiti Pat presented the Mayor of Paapea, Mr. Pambrun with the official St. Albert plaque as a souvenir from Mayor Gibbon. Difference in temperatures between the two centres was 150 degrees on the day Pat returned.

NOTICE

TO ST. ALBERT AGT AND IMPERIAL OIL
Western Bus Lines Ltd. will run a special bus from AGT and Imperial Oil Building, 100 Street and Jasper direct to St. Albert. Leaving at 4:45 p.m., regular fare, starting February 7, 1972. For information call 488-0228.

Fire Chiefs go two in a row

St. Albert Fire Chiefs tasted victory twice in three days -- an unusual occurrence for the town's representative bantam hockey team. Addingspice to the feat was that one of the wins came against a bigger and heavier midget team.

Monday night, the Chiefs trounced Legal midgets 9-3 with a superb team effort which saw the defence play strongly while the forwards put on a powerful offensive display.

Chris Krupa opened the scoring for the Chiefs, taking a pass from Sandy Millroy and flipping it into the corner of the net. The period ended 1-0. The Chiefs increased to count to 4-2 by the end of the second period and then ran away from the midgets with five goals in the last period.

Defenceman Chris Hoffart and winger John Wells each scored twice while Bob Longpre, Jack Bandera, Greg Thibert and Millroy scored once each.

Roger Belley played two good periods in goal for the Chiefs, but had to be replaced by Krupa in the third period after injuring his knee.

Rod Gouchey and Lloyd Olson played well on the forward line, each picking up two assists. Terry Leddy unloaded perhaps the season's hardest check in the

third period when he caught one of Legal's players with his head down.

While the midgets were busy trying to flatten the smaller bantams, the superior skating of the Chiefs proved the game's decisive factor. The win also avenged an earlier 9-3 loss to Legal when St. Albert had only 10 players and had to borrow a goalie.

Saturday night, the Chiefs played Legal bantams and outclassed them 9-1. Longpre scored twice as did Tom Parayko and Lorie Losiak. Hoffart, Gouchey and Millroy scored once each.

The Chiefs held period leads of 4-1 and 7-1. Belley played steadily in goal, handling all but one shot flawlessly.

Thibert, perhaps the top playmaker on the team, picked up three assists while Wells and Millroy had two each. A switch from the wing to centre seems to have worked wonders for Millroy who now is playing his best hockey of the year.

Thursday night, the Chiefs lost 5-0 to Westlock in a league game marred by some defensive lapses by the Chiefs. However, with the two exhibition wins under their belts, the Chiefs should show some confidence in their last five league games.

Executive officers of the Sturgeon Toastmistresses club were photographed at their meeting last week at the home of Mrs. Les Gault. From left: Irma Wilson, 2nd vice-president; Pearl Genereux, treasurer; Dorothy Gault, 3rd vice-president; Joan Brunner, secretary; Marilyn French, 1st vice-president; and Janis Evans, president. The executive will serve until the end of June, as officers are elected bi-annually in the club, which was formed about two years ago.

Chuck Newell, accountant at the Bank of Montreal, got a once-in-a-lifetime thrill Tuesday, when he was dealt a 29 hand in a crib game with John Gold, also of the bank staff. The fellows were playing in the staffroom during their lunch hour.

If all our readers would make a notation on page 16 of the St. Albert Directory, they would do Shirley McQuitty a big favor. Shirley is president of the Sturgeon General Hospital Ladies Auxiliary and through an error (in the adult organizations list on page 16) her telephone number is shown under Sturgeon General Hospital. Please mark

in Ladies Auxiliary on your copy. Shirley's phone is ringing off the hook!

There are vacancies open in the Bookworm Story Hour at St. Albert public library, and pre-registration is not necessary. All five year olds including those who have previously attended are welcome to come on Tuesdays from 10 - 11 a.m. In addition to hearing stories the children are involved in acting them out, doing drawings to illustrate the story and similar activities.

If your wife wants to learn to drive, don't stand in her way.

Thank-you

To all the members of the St. Albert Fire Department and the goodwill and help received by our many neighbors, friends and relatives during the time of the loss of our barn in the near 40 below zero weather.

David Maslyk weds Patrica Podgurny

By Rose Martel

St. John the Baptist RC church in Morinville was the scene of a pretty mid-winter wedding on Saturday, Jan. 29 when Miss Patricia Podgurny, daughter of Mr. and Mrs. Joe Podgurny, became the bride of Mr. David Maslyk, son of Mr. and Mrs. Karl Maslyk, all of Morinville, in a double ring ceremony, performed by Rev. George Henri Primeau, pastor.

Given in marriage by her father, the bride chose a white gown of white-embossed net over silk featuring an empire waist, A-line skirt forming a cathedral train in the back, mandarin collar, long puffed sleeves with wide cuffs. Her shoulder

length bouffant veil, made of the same net material as her gown, was held by a crystalline motif. She carried a large cascade bouquet of red roses, garnished with satin streamers.

Her four attendants, Miss Betty Mikaluk, cousin of the bride, Miss Gina Merrier, both of Morinville, Miss Bonnie Karol, cousin of the groom, of Edmonton, and Miss Rosella Podgurny, sister of the bride was junior bridesmaid. Petite Christine Yowney of Collinton was flower girl. All were similarly gowned in red velvet with silver accessories and each carried a muff with a single rose garnish.

The best man was Mr. Leo Ethier of Morinville. Other groom attendants were Mr. Lawrence Podgurny, brother of the bride, Mr. Denis Charest, and Mr. Terry Maslyk, brother of the groom, all from Morinville. The ring bearer was Master Lee Vervynck, five year old nephew of the groom from Edmonton.

During the church service Mr. Norman Chailfoux was organist and Mr. George Lavallee was soloist. A reception and supper for 200 guests followed in the Morinville Recreation Centre. Mr. Alex Yowney, step-brother of the bride proposed the toast to the bride and Mr. Paul Ripeel was master of ceremonies.

For her daughter's wedding Mrs. Podgurny chose a beige ensemble with silver accessories and a pink rose corsage. Mrs. Maslyk wore a light blue sheer with silver accessories and a blue rose corsage.

A wedding social, Ukrainian style followed, with a dance later in the evening. Out of town guests included guests from Edmonton, Collinton, Fox Creek, Hinton.

For her honeymoon trip to Phoenix, Arizona, the bride changed into a pink velvet hot pants ensemble with silver accessories and a top coat, complimenting her ensemble.

Mr. and Mrs. David Maslyk will make their home in Morinville, having purchased a new residence in town.

LEGAL LOCALS

By Lucienne Montpitt

The legal fire department was called on January 25 at 10:30 p.m. to the home of Mr. and Mrs. Richard Montpitt four miles east of the village to try and extinguish the fire in their house. In 40 below temperatures the firemen did all they could to fight the blaze but due to the nature of the fire their home and belongings were completely destroyed.

Please note that the Keep Fit classes will be on Tuesday, starting Feb. 9 at 8 p.m.

The various organizations of the parish have arranged a social benefit evening for Mr. and Mrs. Richard Montpitt on Feb. 5 at the community hall. Everyone is welcome. The evening will consist of dancing, FREE refreshments and lunch. Proceeds from the admis-

sion at the door will be totally given to Mr. and Mrs. Montpitt. We hope that relatives and friends in the district will attend and by coming you will also help in contributing for such a worthy cause.

The house and belongings of the couple were a total loss in a fire last week.

Expressions of sympathy are extended to Mr. Henry Chailfoux who is mourning the loss of his mother Mrs. Margaret Chailfoux from Stony Plain who passed away last week at the age of 74 years.

Movie - Zebra in the Kitchen at the Legal Community Hall Friday, Feb. 4 at 8 p.m. Do you want these movies to continue? If so your support is anticipated or else the shows will be discontinued.

The \$25 dinner plate will be held on March 4. This

evening includes supper, refreshments, dancing, a chance on a \$2,000 money prize, also cancellation prizes of \$25. The annual event is sponsored by the Legal and District Community Centre. Tickets are available from all the directors, and also at the Credit Union.

Mr. and Mrs. Louis Demers have returned from a trip by bus to Montreal, Quebec. They also stopped in Toronto where they visited with their daughter and son-in-law, Mr. and Mrs. Smolinski.

Wildcats jail the Fort

The Wildcat midjet team came up with their finest game of the season by downing Fort Saskatchewan, 3-2 Sunday, Jan. 30, Fort Saskatchewan opened the scoring at 16:00 of the first period, but it took Wildcat Captain Doug Wain only 90 seconds to tie up the (contest) on a brilliant individual rush. The score stood deadlocked until 2:25 of the third period when Wildcat defenceman Denis Boudreau, flicked a tricky shot from centre ice to fool Roger Gaumond, Fort Saskatchewan goaltender.

St. Albert's third goal came when Doug Mackenzie

leaped to the ice as a sixth attacker on a delayed penalty. With eight minutes left the Wildcats settled down to a defensive game to protect their two goal lead. Fort Saskatchewan scored the final goal of the game at 19:25 which left no time for another attack.

When interviewed after the game, Coach Coward had high praise for Roger Meunier, Doug Mackenzie and goaltender Kris Nickerson, whom he thought were instrumental in the Wildcat win.

Next home game will be against league leading Westlock, Sunday, Feb. 6 at 3:30.

Steve Hoffart rounds Fort defence on his way to get the puck. Notice the Fort player's stick, things like this were going the whole game.

Snowmobile Club

St. Albert Snowmobile Club met with town council and the RCMP to discuss the inconveniences caused to residents by snowmobiles. The club made the following proposals:-

- 1) that a 10 mph speed restriction within town limits be adhered to. This would cut down noise and protect children playing on river banks.
- 2) that snowmobiles with tuned exhausts, expansion chambers, or straight pipes do not run within town limits. The noise factor is terrible with these machines.

3) that snowmobilers who come from other areas, unload outside of the populated areas of town. It would then not be necessary to continually pass houses each time the driver returns to his vehicle.

4) that snowmobilers get clear of town as soon as possible when riding. Running up and down the river creates noise and congestion. The club felt that if snowmobilers were to adhere to these few restrictions, much of the nuisance caused to residents would be eliminated.

The Taxman says thank you.

For paying too much income tax last year. You see, there's a section in the Income Tax Act that says you can deduct a substantial amount from your annual earned income if you have an eligible retirement savings plan. Take advantage of it this year. All you have to do is register your annuity or permanent life insurance plan by February 29. Give me a call and I'll show you how to let the taxman find his own mad money.

MR. AND MRS. HERVE ST. ONGE

St. Onge's fetes at Silver wedding

By Mrs. Rachelle St. Onge
Mr. and Mrs. Herve St. Onge were guests of honor at a social evening on the occasion of their 25th wedding anniversary, Saturday, January 15.

After the church service, celebrated by Father L. Teller, the crowd moved to the Legal Community Hall where dancing and a mid-night buffet were enjoyed by all.

Mrs. St. Onge was charming in a silver green sleeveless evening gown and mink stole, with finger accessories and an orchid corsage. Mr. and Mrs. Roland Ricard accompanied the happy couple.

Master of ceremonies was Mr. Walter Van De Walle, a good friend of Mr. and Mrs. St. Onge. The toast to the couple was given by Mr. Jean-Charles Boichard, brother of Mrs. St. Onge. Their son, Marcel, welcomed the guests on behalf of the family. Muriel Krauskopf was soloist.

Mr. and Mrs. St. Onge were married on January 14 1947 in the old St. Emile church of Legal. They lived in Mortville for four years and then took up residence in Legal and later moved to a farm three miles east of the village.

They have always been active members of the community, devoting much time and effort to local work. These 25 silver years have blessed them with five children and two grandchildren. Marcel, Lynne, Roland, Raymond and Liliane were all present for the occasion. They presented their parents with a pair of recliner chairs as a reminder that they should relax until their golden anniversary. Guests contributed to a generous purse. Congratulations and best wishes were received from several relatives and friends.

Mr. and Mrs. St. Onge accompanied by Mr. and Mrs. Roland Ricard have left on a Caribbean cruise.

4H Council holds Annual meeting

Allan Shanfield and Dorothy Rigney were elected to sit on the provincial advisory board at the annual meeting of the North-West 4H Region Council held in November at the Macdonald Hotel.

The annual curling bonspiel will be hosted this year by Lac Ste Anne in the latter part of March. Leduc District Council will host the south half of the public speaking finals on April 22, co-ordinated by Tom Martin. Finals for the north half will be hosted by Thornhill District Council on April 29 and Mrs. Mayak will be co-ordinator.

Junior division for public speaking competition includes 4H members who were 15 years or younger as of January 1st of the year of completion. Senior division is for members 14 or older as of January 1st. There are three categories for the seniors: speech to entertain, persuasive speech or informative speech.

There will be no tap dance spectacular this year, an event previously sponsored by 4H.

Doug Blenert reported on the three day camp held last year at Camp He Ho Ha, which were attended by 110 boys and girls.

Plans were made for an exchange trip with California during the last week of July or the first week of August.

Each local 4H club will pay \$10 per club to the North-West Council payable by June 1, 1972 to Mrs. Margaret Borle, RR1, Site 2, St. Albert, Alta. First year clubs will be exempt. Mr. Blenert recommended that the use of leaders score sheets be discontinued.

The Mountain, Manitoba, and Saskatchewan delegates were invited to lunch by the executive of the North West Council.

New slate of officers are as follows: President, John Onyesty, Stony Plain; First vice-president, Dave Hughes, Leduc; Second vice-president, Bob Burns, Picardville; secretary-treasurer, Mrs. Margaret Borle, St. Albert and reporter Mrs. Isobel Morgan, Athabasca.

BON ACCORD NEWS

By Sadie Allen.

Bon Accord Lions are planning a Cheese Festival for Feb. 11. Tickets will be available from any Lion member.

The 4H Clothing Club held a work meeting at the home of leader Mrs. Rita Milligan on Saturday, Jan. 22. The regular meeting will be held at the school on Feb. 8.

All 4H clubs combined to enjoy a toboggan party recently, topping off the outing with Stew a la Ferby around a bonfire.

The first of two weaving classes was held on Thursday, Jan. 20 with instructor Rae Gower from the Department of Culture, Youth and Recreation in attendance.

Registration for the stretch and sew course was held on Monday, Jan. 24. Regular classes will start on Wednesday, Feb. 2 and will be held for 10 consecutive Wednesdays. The fee for 20 hours of instruction is \$16 dollars. The instructor will be Frances Mector from Winnipeg. For further information contact Gail Critchley, 298-2164.

Mr. and Mrs. Jim Hill, Mr. and Mrs. Roemer and Mr. and Mrs. Bardahl.

Mites and peewees both came up with wins over Gibbons on the weekend with shutouts for goalies Bevan George and Warren Everett.

The 4H Beef Club sponsored a very successful dance on Jan. 21.

Gregory Uchacz is back at school after undergoing emergency surgery for appendicitis.

Immediate members of his and Olga's family with a few close friends threw a surprise party for Taras Ferby on Jan. 22 in honor of his birthday.

A good turnout for the service on Jan. 23 at Holy Trinity church promises resumption of regular services for the Bon Accord congregation. These will be held bi-monthly in conjunction with the Gibbons congregation.

VIMY NEWS

By Jeanne Laplante

Mr. Wilfrid Provencal was the recipient of a 20 year safe driving trophy at the bus driver seminar held in Westlock. Congratulations.

We wish to welcome Mr. and Mrs. J. L. Tielle and family who are now residing in the district.

Sister Gabrielle Fortier, provincial representative of the Daughters of Jesus congregation is spending a week at the Vimy Convent.

The Alberta Wheat Pool held its annual meeting in the community hall. Public relations man Mr. Tom Knight was the guest speaker. Films were viewed and lunch was served to conclude the evening.

Speedy recovery wishes extended to Mrs. Rlandine

Landry and Mrs. Clemence Dusseault who underwent surgery recently. MD councillor, Mr. John Zadunavski is reported improving at the University Hospital.

Mr. and Mrs. Mike Hein holidayed in Calgary for four days.

Fern Dechamplain, Jos Blodeau, Gilbert Blodeau, Clement Blanchette and Paul Dechamplain motored to Falher with the Legal mid-gate team where they played two exhibition games.

Peter Provencal is leading the scoring race for the Barrhead team in the North Central junior league.

Salesman: "I'd like to see the vice-president." Secretary: "He's busy right now. Could you come back at the end of the first half?"

ANNOUNCEMENT

"To bring modern farm machinery and methods to the farmers of this area, we are proud to become David Brown farm equipment headquarters," Everitt Tremper, the store manager said.

He added that in addition to selling and servicing equipment made by David Brown, New Holland Edmont would also provide the latest information on farming practices and methods.

"An open house and public display of the new line of David Brown equipment will be held soon," Mr. Tremper said.

RURAL RECREATION

There has been interest shown in having a cake decorating course in the MD. Mrs. Mary Clark has taken a course at NAIT and is willing to share her skills with any interested persons in the district. The course would last for about five evenings in which a basic knowledge of cake decoration could be gained. For further information contact either me at 424-6276; 256-3321 or Mrs. Mary Clark 799-5556.

For women of the district who have a problem in getting children well cared for while they go shopping or enjoy a recreational outing, the following information may prove useful. There is a "Mothers Day Out" program in St. Albert which takes care of children on Thursdays from 9:15 until 3 p.m., in order to give mothers some free time. It is held in the United Church basement at a cost of 75 cents per child, to a maximum of \$2 per family, which includes lunch and snacks.

For more information telephone 599-5159.

DEFENSIVE DRIVING:

If there are enough people in any area interested in a defensive driving course, I would very much like to hear from them, so that a training session could be arranged. We are very fortunate to have in the area, Mr. James Kyle of Alcomdale who is a defensive driving instructor. He has assured me that if there is enough interest in any area there will be no problems in getting a defensive driving course set up. For more information contact me at 256-3321 or 424-6276.

SUMMER ACTIVITIES:

I realize that it is difficult to believe that summer is coming - but take my word for it. We have to start preparing for the summer activities soon. I would be very interested in hearing from any person who has ideas on how the playgrounds should be established this coming summer. I would also like to hear from the residents of the MD about what types of special activities they would like to have in the spring and summer months.

There is a good chance there will be jobs established for local young people over the age of 15 this summer to assist in the recreation program. I hope to be arranging meetings in various points in the near future to inform students more on this situation. If you are a student and are interested in working with the recreation program this summer watch this report for the date of the meeting in your area.

By Rose Martel

Morinville firemen were called out last Wednesday to the Georges Lefebvre home (Maurice Muller farm) three miles west and four miles north of town. Damage was confined to the outside walls of the stucco house.

Morinville is happy to welcome the following new residents: Mr. and Mrs. Raoul Labonte, Mr. and Mrs. David Maslyk; Mr. and Mrs. Paul - Emile Casavant and Mr. and Mrs. Paul Henry. Newcomers to Morinville include Mr. and Mrs. Nelson Orlik, Mr. and Mrs. Leo Lalonde, Mr. and Mrs. Kenneth Lissack and Mr. and Mrs. Egbertus Lodewijk.

Three new homes are taking shape now for occupancy in the spring. They have been purchased by Mr. and Mrs. John Rak, Mr. and Mrs. Robert Cox and Mr. and Mrs. William Kool. Mr. and Mrs. Ronald Wells, formerly from Prince George, B.C. are now Morinville residents.

The Morinville rifle range sponsored by the Morinville Lions Club will begin competition rounds on Feb. 16. Children who won certificates in regular practice exams will be eligible. However if enough interest is shown for an adult class or another student age group this will be organized. Those

MORINVILLE MEMOS

interested are asked to contact Lion Douglas Ramer after 6 p.m. at 256-3365 or any member of the Lions executive. Practices are held at the Morinville arena at 7 p.m.

Mrs. Mary Wiley left for Vancouver last weekend to visit her father who is reported ill.

Mayor Arthur Stapleton is resting quietly at home after his return from Lethbridge hospital last weekend.

The Morinville Hotel management changed hands this week. Mr. and Mrs. Walter Pankow are retiring and the new owner-manager is Felix Mlaar of Edmonton. Mrs. Mlaar will remain in Edmonton until the end of the school term. The new name for the local corner hotel is now "Town Hotel" Morinville Ltd. The community is happy to welcome Mr. and Mrs. Mlaar and best wishes to Walter and Julia Pankow. Mrs. Pankow suffered a fractured wrist last week when she fell in the hotel kitchen.

Morinville Lions 1972 Ice Revue has been scheduled for Sunday, March 12. The mothers committee execu-

tive is headed by Rena Hland as chairman, Carol West as vice chairman and Lois Mulligan, secretary. Jeanette Lysachok, Marilyn Rogers, Linda Pifko and Shirley Anott are in charge of the ice queen contest. Five little girls will be selling tickets and it is hoped that they will be well received and well supported. All monies raised is spent in the community for recreation programs.

Leopold Boissonnault and Jeanne Houle are reported patients in hospital.

Mr. and Mrs. Ernest Houle accompanied by Mr. and Mrs. Fritz Devolder

have returned from a two month trip to the southern states and Mexico.

An old land mark in Morinville, the former home of the August Krauskops, is being torn down and it is expected that a modern new residence will be erected on the choice residential lot.

Mr. and Mrs. Robert Lapointe and family have moved to Hughenden. Replacing Mr. Lapointe as assistant manager of Calgary Power in Morinville is Gorry Chindeller. Mr. and Mrs. Chindeller and family have taken up residence in the west end of town.

Namao Beef Club News

By Wendy Bowman

The Namao 4H Beef Club held its December meeting at the home of Laurel and Ross Horricks. The club welcomed a new member Debbie Casavant bringing total membership to 11.

Club members thought it would be a novel idea if each member made his or her own crest. Dwayne Ash, with his knowledge of leathercraft has taken this project on, as

part of his junior leadership. The annual family curling night was discussed, but there was no ice available at the time and a date will be announced later. Mrs. Horricks served a nice lunch at the end of the meeting and a very interesting game of shuffleboard followed.

The January meeting was held on January 10 at the home of Joan Waterhouse,

with 11 members present. The members accepted Dwayne Ash's sample of a crest and it was voted to use it for the official club crest. Tour day was discussed and it was decided to have it on Saturday, Jan. 22 starting at 10:30 at the home of Dwayne Ash. A short discussion followed on the changes in the public speaking program. It is now divided into two sections, 13 years and under and 14 years and older. The meeting ended with Tom Bowman showing his slides of conservation camp which he attended last August. Mrs. Water-

house then served lunch.

On Saturday, Jan. 22, the tour day was cold, but members all enjoyed seeing each others calves. The tour started at Dwayne Ash's, on to Joan Waterhouse and Debbie Casavants, and then to Horricks. Members stopped at Janice Carruthers for a really nice fried chicken dinner. Thanks Mrs. Carruthers.

After lunch Bowman was the next stop and the tour ended up at Sweetnam's where once again members were well treated with coffee, pop and cake.

Next monthly meeting will be held at the home of Don Laurel and Tim Sweetnam on Monday, Feb. 14.

Gibbons 4H Report

Some of the highlights of the Gibbons 4H Sewing Club since their reorganization meeting in September were the initiation and candle-lighting ceremony at the Demers home in October, the fund-raising turkey raffle held in December, when Shawn Kerr was the lucky winner, and the Christmas party and gift exchange, for which the Mabbuts offered their home and which was thoroughly enjoyed by all the members.

Mrs. Leona Petherbridge

is the leader, assisted by Mrs. Stirton and officers of the club are as follows: President, Debbie Demers; secretary, Shannon Mabbutt; treasurer, Debbie Reader; club reporter, Janet Demers; recreational chairman, Kim Mabbutt; lunch chairman, Janet Demers; county representative, Judi Demers, librarian, Wendy Watt; project chairman, Debbie Reader; junior leader, Judi Demers.

NAMAO

The annual meeting of the Namao Community League will be held in the school gymnasium on Monday, Feb. 7 at 8 p.m. Everybody please attend to help carry on the functions of the community league for the coming year. Our government grant and how it will be used will be discussed.

Best wishes of the district to Mrs. Chester Crozier, recovering in Royal Alexander Hospital from an operation.

Gibbons

By Gladys Morin

At a recent girl guide meeting it was decided to hold the annual Valentine tea Saturday, Feb. 12 at the Legion Hut from 2 - 5 p.m. There will also be a home bake and white elephant sale.

On Saturday, Jan. 29 a training session for guides was held at the Star of the North Retreat House at St. Albert. It was sponsored by St. Albert division. This course consisted of a special training of camping and ceremonies. Ladies from Gibbons that attended were Helena Osmond, Doreen Lamoureux, Laurie Grant, Evelyn Fraser, Elleen Sprague, Doreen Steele, Barbara Wood and Doreen Pawlechka.

Mr. Jim McDonald, president of Industrial Nursing has offered the services of the company ambulance. Anyone wishing to get in touch with him phone 799-5814.

Winner of the door prize at Nan and Keith's Better Meals opening was Mrs. K. Morin, while Mrs. Ann Demare of Gibbons and Mrs. Dory Irmand of Bon Accord won the draws for a half side of pork.

by Mona Acker,
PSS Director,
Town of St. Albert,

February will be a busy month for Preventive Social Services in St. Albert. The PSS committee will be presenting its budget, for administration of the program for the year 1972, to town council.

The Homemakers Service, which receives a good portion of its operating funds from the town will likewise be presenting its 1972 budget. They will request an increase due to forecasts for a substantial increase in placements. They reported to the PSS committee on January 27, 1972 an increase of 59 per cent in the number of families served in 1971 over 1970. Their annual report for 1971 showed physical illness in the family as the major reason for their services being used. Most families served had three or four children, which is above the average for Alberta. Over 70 per cent of the children cared for were under 11 years old and in over 58 per cent of the families the father was 31 to 40 years old. Half of the families were in the lower income bracket.

Encouraging factors found in the excellent report were the increases in families served and the expected decrease in cost per hour in 1972.

The interim committee for establishing a Day Care Centre met February 1st to look over the returns of their survey and plan their next move. As soon as they know how many children need day care and have found a suitable facility they will

be able to present a proposal for deficit funding to the PSS committee. If the committee feels the program is worthwhile and is adequately administered they will make a recommendation to council that the town and province provide needed financial assistance. PSS is now involved in helping to start a single parents group. Did you know over 4.5 per cent of the families in St. Albert have only one parent according to the 1972 census.

The PSS committee has formed a sub-committee to study its terms of reference and recommended whether any changes in the by-law establishing PSS would help the program function better. They will present their recommendations at a special February meeting.

The committee chairman, Rich Bailey, has been invited to attend the conference of the PSS committees of Edmonton and Calgary to be held Feb. 2 to Feb. 4, in Edmonton. This should provide insights into how the program works in large urban centres.

The director, Mona Acker and the homemaker supervisor, Diane Proctor, will be speaking to the Newcomers Club on Wednesday evening, Feb. 2, 1972 at the Club Mocombo.

In other news several workshops and courses are available to anyone interested, in the area of community leadership, family communication and therapy, and social functioning.

Drug Studies: An Ontario study indicates teenagers whose mothers use daily tranquilizers are three times as likely to use marijuana, LSD or glue, as is the child whose mother does not.

Conferences of Interest: National Association of Social Workers, May, Los An-

gles; National Conference on Social Welfare, May 16-21, Dallas, Texas; National Institute on Crime and Delinquency, June 17-21, Portland, Oregon; Canadian Conference on Social Welfare, June 18-22, Quebec City, P.Q.; Health Information Sessions for the Retired, Fridays 1:30, Society for the Retired and Semi Retired, 10169 - 104 Street, Edmonton.

Publications: West 10 Peoples Paper - New Monthly publication of the Westmount District.

Survival manual for Unwed Mothers - New Booklet by Ontario Association of Childrens Aid Society, 6th Floor, 663 Yonge Street, Toronto.

For further information call Mona Acker, 599-6601, local 48.

Lion District Governor to visit Morinville

District Governor Angus Murray will be guest speaker at the February 14 meeting of the Morinville Lions Club. Governor Murray will be bringing greetings from Lions International and give a talk on projects, fellowship and membership. Lion Angus Murray is a candidate for the office of District Governor, District 37-B.

Lion Angus joined the South Edmonton Club in 1957 and served as director and in all vice-presidents positions. He is a charter member

Waugh rink wins Legal bonspiel

The Legal Open Bonspiel was held on Jan. 20, 21, 22, 23 with 22 rinks competing.

The Grand Challenge was won by the Victor Mayorchuk rink from Waugh. The winning rink included Noel Dumontier as skip, Harry Critchley at third, Vic Mayorchuk at second and Nick Harry lead. They defeated the Lawrence Kluthe rink from Almondale. Third and fourth places in the Grand Challenge went to the Mel Hittinger rink from Morinville and Red Krauskopf of Legal.

The second event was won by the Johnny Marchak rink also of Waugh. Members of

the Marchak rink included Harry Stelger, skip, Johnny Marchak at third, Joe Gill playing second and Henry Peck lead. They defeated Don Hills rink of Legal. Third and fourth places went to the Rene Joy rink from Vimy and the Glen Anderson rink from Busby.

The third event was won by the Doug Hills rink of Legal. The winning rink included Doug Hills skip, Bernie Fizer playing third, Wayne Robinson at second and Norm Peters lead. They defeated the Robert Holzer

A husband read a story in a newspaper explaining that a woman spends three-fourths of the family income. So he asked his wife what she had done with his fourth.

All Morinville Lions are urged to attend the Feb. 14 meeting so that they may meet Lion Angus Murray and gain further from his vast experience in the Lions organization.

rink of Legal. Third and fourth places went to the Arvin Scheiner rink of Busby and the Irwin Strawson rink from Bon Accord.
